INTERFERENCE SEARCHED			
Class	Sub.	Date	Exmr.

The image is a vertical, high-contrast scan. On the left side, there is a narrow, vertical strip of material with a rough, textured appearance, possibly a book binding or a piece of fabric. This strip is light gray and shows some internal structure. The rest of the image is a solid, deep black, creating a stark contrast with the textured strip. There are no discernible figures, text, or other objects.
